Packing content

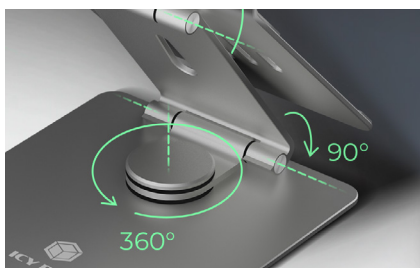

1x IB-TH200-R, 1x manual

Technical data

Model	IB-TH200-R
Article no.	61048
EAN code	4250078173779
Colour	Silver
Material	Aluminium
Maximum size of device	12.9"
Maximum weight of device	≤ 1.25 kg
tilt range	0° to 270° (to fold away)
Rotation range	360°
Net weight	430 g

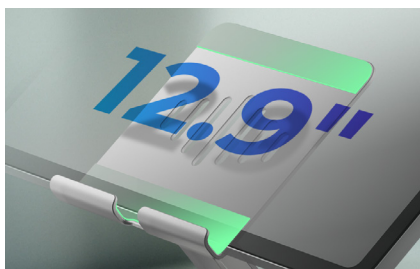

ICY BOX **IB-TH200-R** Rotatable and adjustable tablet stand

Customisable

The IB-TH200-R has three swivel joints and can thus be rotated 360 degrees on the base. The shelf offers a rotation angle of up to 180 degrees and the arm 90 degrees, allowing you to optimally adjust the settings to your ergonomic needs.

High quality workmanship

The tablet stand also supports very large tablets with formats of up to 12.9 inches (approx. 33 cm). To ensure that these often heavy and unwieldy models stand securely, the IB-TH200-R is made of high-quality, robust aluminium and has silicone pads for more slip resistance.

Mobile design

The IB-TH200-R is designed with mobility in mind and folds away easily. This allows you to use your tablet stand at home, at work or on the move. Just set it up and start working.
