MWE GOLD 650 - V2

MPE-6501-ACAAG

80 PLUS GOLD CERTIFIED ATX POWER SUPPLY

The MWE Gold - V2 is the next step in the evolution of Cooler Master's entry level 80 PLUS Gold power offerings. The intention was not to create a new product but to improve a current one to be even more useful to consumers. The design changes implemented in this iteration of the MWE Gold were based on user feedback and demand. New things were added or changed to make the user experience better and simpler. Together, these design choices deliver a great entry level power supply option complete with high efficiency, reliability, simplicity, and a competitive price point.
