

ACME ACT206 Fitness Activity Tracker HR tracks not only your heart beats or distance. Water-proof feature allows to wear activity tracker under any weather conditions! It is made of thermoplastic (TPE) which refers to flexibility, durability and dust-free fabric. In addition to that, activity tracker informs about incoming calls and messages as well as notifies if the phone is not next to you. No need to mention vibrating alarm, sleep monitoring, wrist sense, time & date display – all these features come with ACME ACT206 Fitness Activity Tracker HR.

Features

Convenient charging

Simply take off the band and plug the body of the tracker to any USB slot to charge it

Heart rate monitor

Tracks heart activity

Touch button

Responds to the touch to display time and date, amount of steps and burnt calories, distance, etc.

Pedometer

Counts your steps, distance and burnt calories

Sleep tracker

Counts average hours of sleep, deep and light sleep time, indicates the hour of falling asleep and waking up

Call & message notification

Informs about incoming calls and messages
