# Front panel I/O and indicators

1. USB 2.0 x1
2. USB 3.1 Gen 1 x1
3. Power button
4. System reset button
5. Power LED
6. HDD LED
7. LAN LED 1
8. LAN LED 2

1. Install rackmount ears

Please install rackmount ears as the last step right before integrating the chassis into the rackmount. If you plan on shipping the chassis, please remove rackmount ears.

2. Removing the top cover

Press and hold the top cover's two buttons while pushing the cover towards the rear of the chassis to remove it.

3. Install motherboard
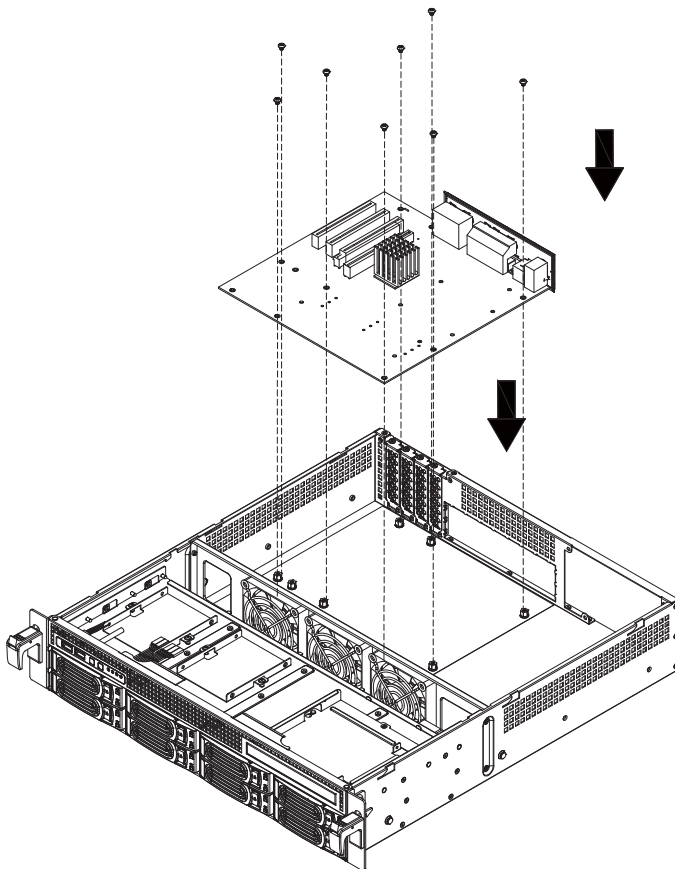

4. Install power supply

4-1 If installing ATX power supply, place it into the chassis and secure with screws
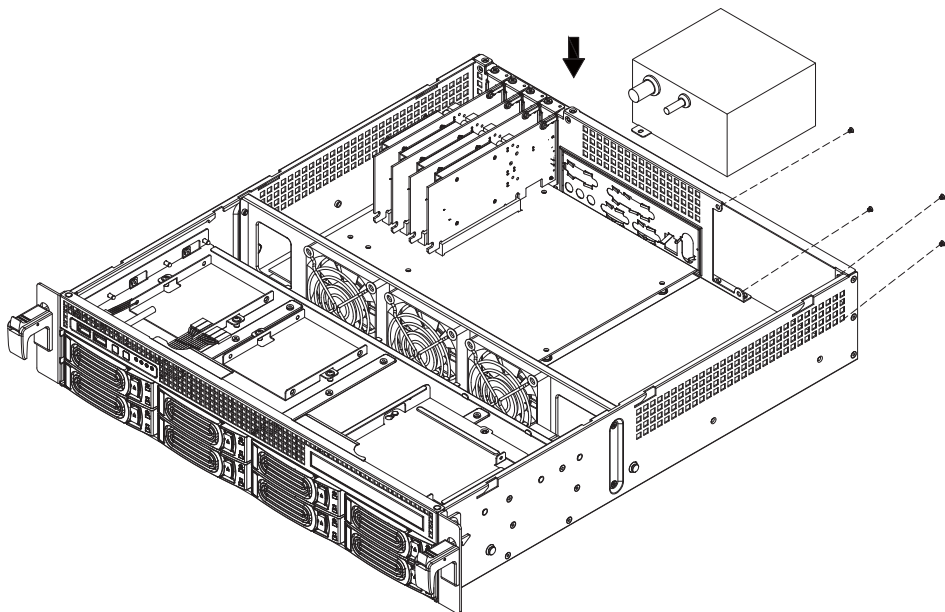

4-2 If installing 2U single or redundant power supply, attach corresponding power supply plate to the chassis first, then place the power supply into the chassis and secure with screws
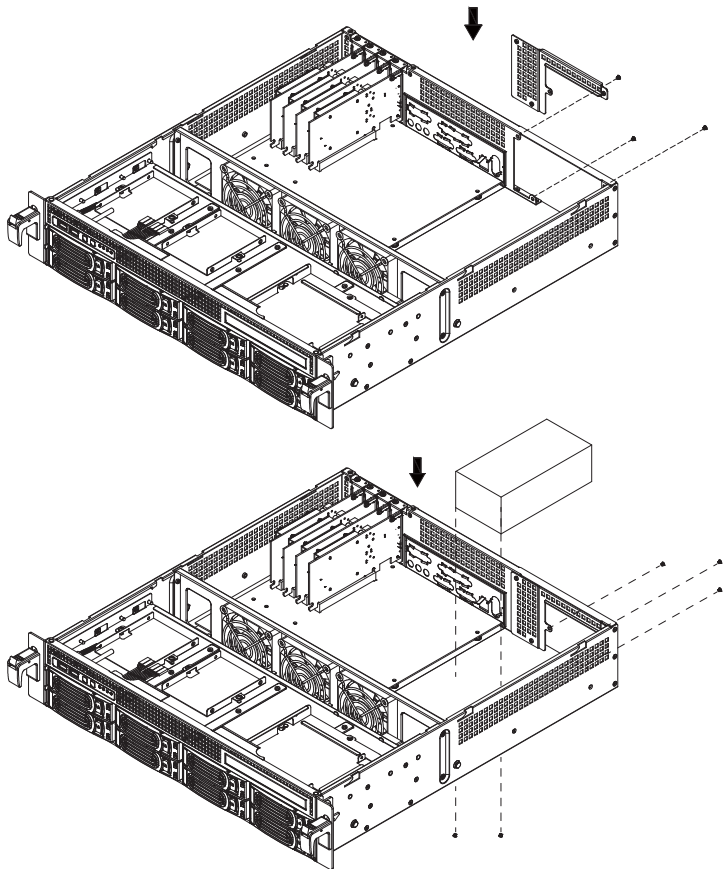

5. Optical drive installation

5-1 Remove optical drive bracket and its front bezel
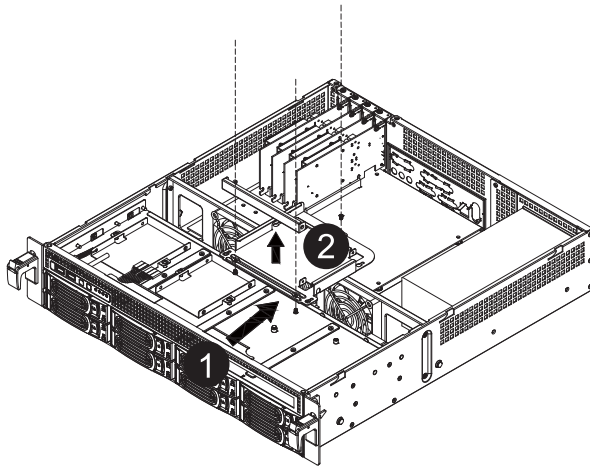

5-2 Install optical drive into the bracket, secure with screws and reinstall the assembled drive bracket back into the chassis
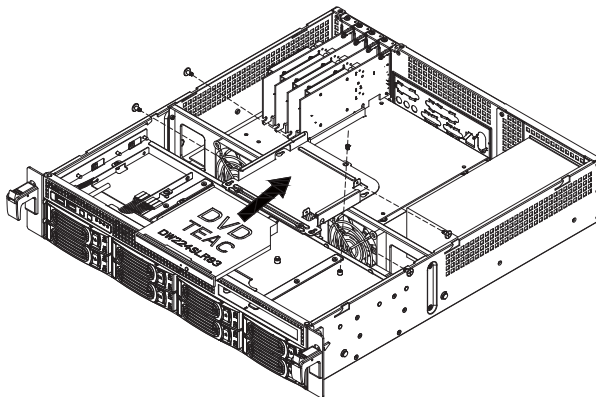

6. Internal 2.5" drive installation

Install drive into the bracket, secure with screws and reinstall the assembled drive bracket back into the chassis

7. External 2.5" / 3.5" drive installation

7-1 Pull drive tray out of the chassis

7-2 Install drive into the drive tray, secure with screws and reinsert the assembled drive tray back into the chassis

Warranty Information

This product has a limited 1 year warranty in North America and Australia.

For information on warranty periods in other regions, please contact your reseller or SilverStone authorized distributor.

本产品自购买之日起，于中国地区（不包含澳门，香港特别行政区）享有一年有限责任保固（部分产品为二年，三年或五年）。
详细保固年限请参照官方网站 https://silverstonetek.com.cn/ 公布之产品型号为依据。

Warranty terms & conditions

1. Product component defects or damages resulted from defective production is covered under warranty. Defects or damages with the following conditions will be fixed or replaced under SilverStone Technology's jurisdiction.
   a) Usage in accordance with instructions provided in this manual, with no misuse, overuse, or other inappropriate actions.
   b) Damage not caused by natural disaster (thunder, fire, earthquake, flood, salt, wind, insect, animals, etc…)
   c) Product is not disassembled, modified, or fixed. Components not disassembled or replaced.
   d) Warranty mark/stickers are not removed or broken.
   Loss or damages resulted from conditions other than ones listed above are not covered under warranty.

2. Under warranty, SilverStone Technology's maximum liability is limited to the current market value for the product (depreciated value, excluding shipping, handling, and other fees). SilverStone Technology is not responsible for other damages or loss associated with the use of product.

3. Under warranty, SilverStone Technology is obligated to repair or replace its defective products. Under no circumstances will SilverStone Technology be liable for damages in connection with the sale, purchase, or use including but not limited to loss of data, loss of business, loss of profits, loss of use of the product or incidental or consequential damage whether or not foreseeable and whether or not based on breach of warranty, contract or negligence, even if SilverStone Technology has been advised of the possibility of such damages.

4. Warranty covers only the original purchaser through authorized SilverStone distributors and resellers and is not transferable to a second hand purchaser.

5. You must provide sales receipt or invoice with clear indication of purchase date to determine warranty eligibility.

6. If a problem develops during the warranty period, please contact your retailer/reseller/SilverStone authorized distributors or SilverStone **http://www.silverstonetek.com**.
   Please note that: (i) You must provide proof of original purchase of the product by a dated itemized receipt; (ii) You shall bear the cost of shipping (or otherwise transporting) the product to SilverStone authorized distributors. SilverStone authorized distributors will bear the cost of shipping (or otherwise transporting) the product back to you after completing the warranty service; (iii) Before you send the product, you must be issued a Return Merchandise Authorization ("RMA") number from SilverStone. Updated warranty information will be posted on SilverStone's official website.
   Please visit **http://www.silverstonetek.com** for the latest updates.

Additional info & contacts

For North America (usasupport@silverstonetek.com)

SilverStone Technology in North America may repair or replace defective product with refurbished product that is not new but has been functionally tested.

Replacement product will be warranted for remainder of the warranty period or thirty days, whichever is longer. All products should be sent back to the place of purchase if it is within 30 days of purchase, after 30 days, customers need to initiate RMA procedure with SilverStone Technology in USA by first downloading the "USA RMA form for end-users" form from the below link and follow its instructions. **http://silverstonetek.com/contactus.php**

For Australia only (support@silverstonetek.com)

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Please refer to above "Warranty terms & conditions" for further warranty details.
