EAN-13: 0766623462693 | UPC: 766623462693

Mobile TV Stand / Trolley with Crank Handle for Effortless Height Adjustment plus Tilt and Rotation

From boardrooms to classrooms, the Manhattan Multimedia TV Cart with Tool-Free Height Adjustment delivers professional-grade performance with effortless flexibility. Designed for one 37" to 86" TV weighing up to 70 kg (154 lbs.), this high-performance stand combines mobility, flexibility, and sleek design.

Flexible Viewing at Any Height or Angle

Effortlessly raise or lower your screen from 1120 to 1570 mm (44 to 61.8 in.) using the included crank handle. With a -12° to +5° tilt range and tool-free adjustment, you can find the perfect viewing angle for every setting. The cart even supports 90° screen rotation, letting you switch between landscape and portrait orientation with ease.

Smart Storage and Conference-Ready Features

Keep your accessories organized and within reach with the height-adjustable AV

shelf for laptops, media players, or remote controls. A dedicated top-mount camera shelf makes it ideal for video conferences, while the integrated pegboard offers mounting space for streaming devices, power strips, or other equipment.

Built to Perform and Move with Confidence

Constructed from high-quality powder-coated steel, the cart delivers long-lasting durability. Its four lockable casters with rugged polyurethane tread ensure smooth mobility and stable positioning, even when fully loaded.

VESA-Compatible and Ready for Work

Supporting VESA patterns from 200x200 to 600x400, this cart is compatible with a wide range of TVs and displays. Whether you're leading a training, hosting a video call, or delivering a presentation, this cart adapts to your needs with ease.
