

ASUS Chromebook Enterprise CX14 | CX1405CKA

Style That Works

The ASUS Chromebook Enterprise CX14 Combines style, portability, connectivity, and affordability delivering reliable performance and effortless usability, making it versatile to meet any learning, entertainment, or daily needs.

86% screen-to-body ratio

Light weight

Flippable Hinge

Full I/O Ports

Recycled Materials

US military grade durability

Easy-to-service Design

Premium and Environmentally aware design

- The exterior of the CX1405 showcases two different textures while incorporating 30% recycled plastic to improve sustainability.
- Comply with sustainable practices and environmental responsibility, as demonstrated by its pursuit of EPEAT Gold with Climate+, Energy Star 8.0, TCO 10 certification.

Features That Enhance Ease of Use

- The lightweight design, starting at just 1.39 kg, supports easy portability for users on the go.
- The expansive FHD display with a wide-angle view and 86% screen-to-body ratio escalates the viewing experience.
- The 180-degree hinge with an optional touchscreen caters to a variety of use scenarios.
- Provides full connectivity, including an HDMI port to enhance the learning experience, and all I/O ports are positioned on the upper half of the keyboard cover, providing ample space for mouse use without interference.

Easy to service and built for durability

- The proprietary easy-to-swap battery design and simplified assembly featuring a redesigned bottom cover with just four screws facilitate easier repairs and the upgrades.
- Passed up to 24 MIL-STD 810H US military durability tests
