

FORCE ASHCLEANER

The Eurom Force Ash Cleaner is a vacuum cleaner developed especially to vacuum ash. A fire-resistant safety system makes sure the ash can be vacuumed safely. The barrel can hold 15 liters.

The Ash Cleaner has a HEPA particulate matter filter and an attachment for crevices.

Product number	161410
EAN	8713415161410
Motor capacity	800 W
Powered by	electric
Connection voltage	230/50 V/Hz
Air displacement	30 l/s
Filter	fire protection, HEPA
Volume barrel	15 l
Max. sound levels	76 dBA
Wheels	no
Dimensions	27 x 27 x 38 cm
Zuigbuis	
Zuigslang	
Electrical cable	2,5 m
Weight	3 kg
Accessories (incl.)	crevice tool
Warranty	2 year
Serie	
Type	ash vacuum
