Short Description

- **VESA compliant:** Supports mounting patterns up to 600 × 400.
- **Strong load capacity:** Rated to hold TVs up to 50 kg.
- **360° pole rotation:** Allows screens to rotate around the pole for optimal viewing.
- **Telescopic height adjustment:** Makes it easy to set the ideal viewing height.
- **Tilt and swivel function:** Freely angling and swiveling for comfortable viewing from different directions.
- **High-strength steel construction:** Delivers exceptional stability and long-term durability.
- **Back-to-back dual screens:** Supports two 43"-86" displays for dual-sided visibility.
- **Cable management:** Built-in system keeps cables concealed and organized for a clean look.

Description

The 43"-86" Back to Back Dual TV Ceiling Mount is a premium mounting solution

designed for large displays in commercial, corporate and public spaces. Supporting two screens from 43 to 86 inches, it provides dual-sided visibility that is ideal for airports, shopping malls, restaurants and conference areas where content must be viewed from multiple directions. Constructed from high-strength steel, the mount offers exceptional stability and long-term durability. The adjustable telescopic pole design enables flexible height positioning, while tilt, swivel and 360° rotation around the pole allow precise viewing angle adjustments. Integrated cable management keeps wiring neatly concealed for a professional, clutter-free appearance, and compatibility with VESA patterns up to 600 x 400 ensures efficient installation and a secure fit for large-format displays.
