Triple Monitor Stand Mount 13-27", 3x 8 kg (max.), black

With the triple monitor stand from DIGITUS®, you can conveniently position and align three monitors with dimensions between 13" - 27" on your desk. Monitor can be clipped in using 2 of the upper VESA screws into the open holes of the bracket and then conveniently screwed tight. Without a great deal of effort, you can arrange the monitors according to your needs and pivot, incline or rotate the monitors, for instance for monitors in portrait mode. You can also make height adjustments of up to 45 cm. The monitor cables can be stored in an orderly fashion using the cable routing included in delivery. Do a good deed for yourself and your health by adjusting your monitor optimally for your body and your sitting position.

The desktop stand allows you to individually arrange three monitors from 13" - 27". The monitors can be swiveled, inclined, rotated and their height can be adjusted. Easy monitor attachment by clipping in the monitor with 2 VESA screws.
