FEATURE
High-Quality Audio

TECHNOLOGY
Internet radio, Music streaming, DAB+ & aptX™ Bluetooth®

Reduced design meets dynamic sound. The classic sonoro design of PRIMUS is a prestigious eye-catcher, yet blends harmoniously into any living room interior style. Thanks to the 2.1 speaker system with integrated 5.25 inch high-performance subwoofer, PRIMUS is not only convincing in the quiet tones, but also offers space for the big sound.

Despite the great variety of connections, functions and music sources, PRIMUS always remains uncomplicated and easy to operate - supported by the practical direct selection buttons on the classy front made of full metal. PRIMUS is the design audio system of choice for music lovers who love powerful sound, elegant home design, modern technology and simple operation.
