4K HDR Immersive

4K HDR Immersive Logo provides assurance to consumers that the level of image quality promised by this technology will be effectively delivered and reproduced on JVC TVs.

QLED

Designed to support over 90% of the DC1-P3 colour gamut, the Quantum Dot Android TVs provide astonishing levels of colour and image accuracy.

Dolby Vision HDR

Revolution in vision. With incredible brightness, contrast, and color, JLED bring entertainment to life before your eyes. By fully leveraging the maximum potential of new cinema projection technology, Dolby Vision gives the result of a refined, lifelike image that will make you forget you are looking at a screen.
