Electric Kettle | 1 L | 360° Rotation | Black

General information

This stylish Nedis® electric kettle has a 1-litre capacity and is compact, yet surprisingly quick to the boil. Thanks to a powerful performance of 2150 W, you'll have your tea ready in no time.

What's more, the durable, mat black casing also looks very nice on any counter top. The cordless 360° pirouette base ensures an easy lift.
The concealed heating element minimises limescale build-up and together with the removable filter, this kettle is super easy to clean, ensuring a consistent great taste of your hot drinks.

Features

• Safety lid – locks safely into place and pressed open with one hand
• 360° pirouette base – easy to remove and place back the kettle
• Cordless – for easy filling and pouring
• Water level indicator on both sides – convenient for both left- and right-handed people
• Removable filter – easy to rinse
• 1-litre capacity
• Mat black finish – stylish and durable
• Strix control – according to international safety standards
• Auto switch off and boil-dry protection – for your safety
• Indicator light – shows when kettle is in use
