

ThinkPad T16 Gen 5 (Intel)

Empowering business professionals to manage projects on the go, this next-generation ThinkPad, powered by the latest Intel® Core™ Ultra 5 / 7 / X7 Processor (Series 3), delivers exceptional performance. Whether handling resource-intensive tasks such as data analysis, video editing, or running sophisticated software applications, this device excels in all scenarios. With the integration of Copilot+ PC, the laptop optimizes system performance, ensuring a smooth and intuitive user experience. It intelligently manages system resources, keeping the laptop responsive and minimizing slowdowns. Configured with up to 64GB LPCAMM2 LPDDR5x-8533 memory, it significantly enhances overall system responsiveness, enabling faster data transfers and more efficient multitasking.

Redefining possibilities with powerful performance and groundbreaking on-device AI

ThinkPad T series laptops offer professional-grade durability, powerful performance with good processors, ample memory, and fast SSD storage. They feature robust security features and long battery life for productivity on-the-go.

The 2W dual Dolby Atmos® stereo speakers deliver rich, immersive sound quality, perfect for crisp video conferencing and impactful multimedia presentations on the go. Optional 5.0MP + IR discrete cameras with a built-in privacy shutter ensure crystal-clear video while maintaining security and confidentiality.

Powering long work sessions, the 75Wh rechargeable Li-ion battery supports Rapid Charge technology, enabling users to recharge up to 80% in just an hour, reducing downtime between meetings or while traveling.

Built for energy efficiency, the device meets ENERGY STAR® 9.0 standards and is EPEAT™ Gold Registered, helping organizations reduce power consumption and support sustainability goals without sacrificing performance or reliability on the move.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Accessories

Lenovo Wireless Multi-Mode Pro Mouse 6000

- Switch between three devices via multi-mode connectivity.
- Work in silence with whisper-quiet, precise clicks.
- Enjoy long-lasting performance with up to 36-month battery.

PN: 4Y51S61874 - 4Y51S61875

Thinkpad Essential 16" Backpack (Eco)

- Two internal compartments (one for notebooks up to 16"), two front zipper pockets, and one side mesh water bottle sleeve that ensure you'll never run out of space.
- A padded top handle. And a rear luggage strap. Every feature is crafted for convenience and comfort.
- Elegant black nylon exterior, grey interior lining, and a splash of red accents.
