# NEOMOUNTS LAPTOP HOLDER

**Neomounts Laptop Holder (mounting via Vesa 75x75 to 100x100mm) - Silver**

The Neomounts notebook mount, model NOTEBOOK-V100 is a universal notebook mount offering the notebook maximum functionality. This mount installs on any bracket using VESA75 or VESA100 hole pattern. Select a wall-, desk- or ceiling mount and install the notebook bracket using the VESA holes.

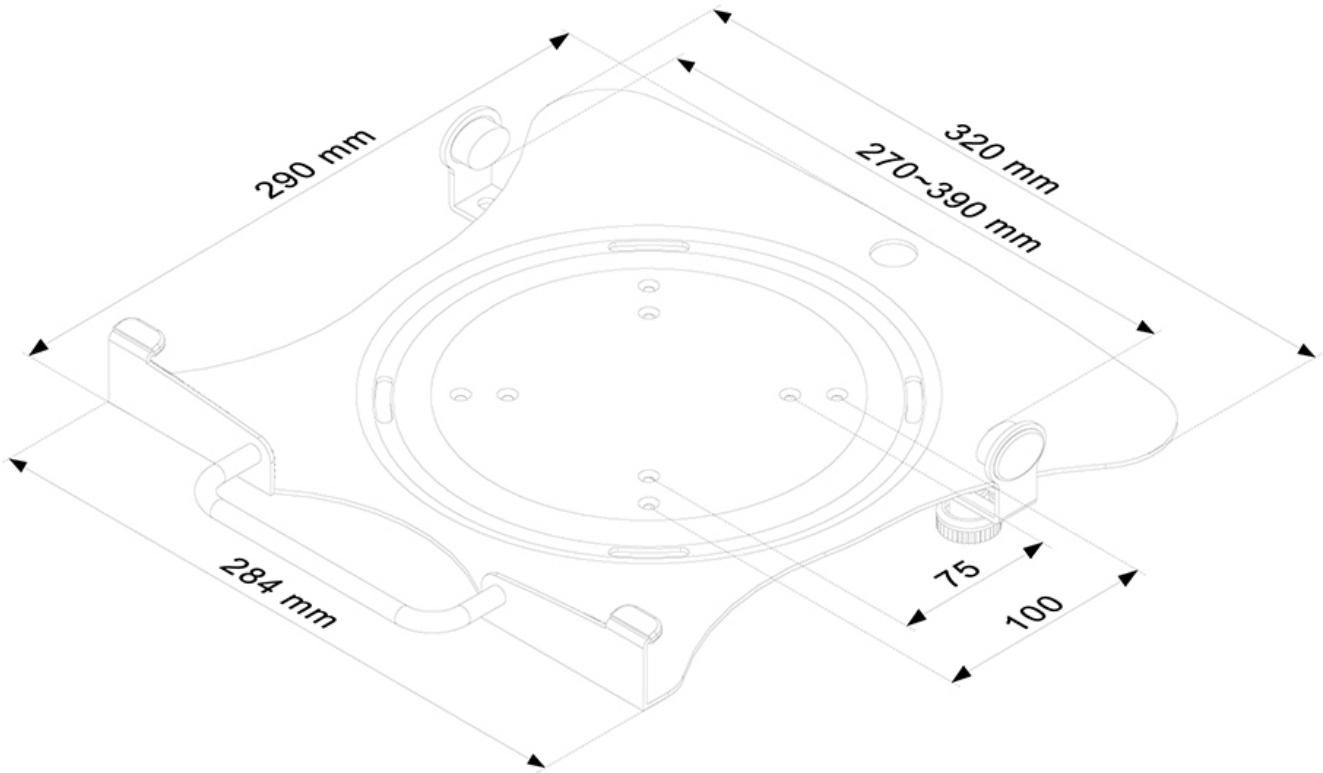

In combination with ceiling-, desk-, or wall mounts this universal bracket becomes a powerful tool allowing tilt, swivel, rotation, height and depth adjustment depending on the selected mount. With VESA75 and VESA100 hole pattern this bracket can be used with most mounts from different brands. Select the best solution for your needs and combine it with Neomounts' notebook mount.

The mount has been arranged both for left - and right-handed users. Most notebooks are appropriate on this holder. By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

Our example shows the Neomounts flat screen desk mount model FPMA-D1010 (grommet) combined with NOTEBOOK-V100.

All installation material is included with the product.
