MASTERBOX MB400L

SENSIBLE BY DESIGN

FEATURES

Brushed Front Panel – A brushed finish spans the entire front panel for an elegant and minimalistic design.

Hexagon Gleam – The Cooler Master hexagon on the front panel relays light from optional, illuminated fans. If an optional RGB or ARGB fan is installed behind the front panel, the hexagon will capture light from the fan and emit a glow on the front panel.

Mesh Intakes – Large, mesh intakes span each side of the front panel to provide additional airflow to system.

With/Without ODD Support – Depending on preference, an ODD version of the chassis is available. If an ODD is not preferred, a cleaner appearance and more cooling options on the top and front panels are supported.

Adaptable Drive Cage – The drive cage is (re)movable, able to shift toward the front to accommodate for PSU space, backwards to provide additional radiator space, or even completely removed.

Versatile Cooling Options – Support for up to six fans and front, top, and rear radiator support ensure that performance is not compromised.

Room For Upgrades – Support for up to a 344mm graphics card, a 166mm CPU cooler, and up to a 325mm PSU in length provides room for upgrades to stay ahead of the game.

PACKING INFORMATION

P/N	w/o ODD	w/ ODD
EAN code	4719512097656	4719512097663

Palette & Brush

Each element of the MasterBox MB400L was created from an elegant palette. With a brushed finish, subtle hue, and the minimalistic Cooler Master hexagon, this Micro-ATX PC case decorates the gaming setup and workspace while also being able to house the latest hardware.

High style embellishes high upgradeability with front, top, and rear ventilation, offering additional mounting options for upgrading cooling components in the future. If an optional RGB or ARGB fan is installed behind the front panel, the Cooler Master hexagon will also be illuminated on the front panel. A total of 6 fans can be mounted simultaneously, ensuring that even the most demanding builds can stay cool under heavy use.

SPECIFICATIONS

Product Name		MasterBox MB400L w/o ODD	MasterBox MB400L w/ ODD
Product Number		MCB-B400L-KGNN-S00	MCB-B400L-KG5N-S00
Exterior Color		Black	
Materials	Exterior	Steel, Plastic	
	Left Side Panel	Tempered Glass / Steel	
Dimensions (L x W x H)	Incl. Protrusions	411 x 218 x 410mm (TG) 411 x 210 x 410mm (Steel)	
	Excl. Protrusions	396 x 210 x 400mm	
Volume (Liters Excl. Protrusions)		33.26L	
Motherboard Support		Mini-ITX, Micro-ATX	
Expansion Slots		4	
Drive Bays	5.25" ODD	0	1
	3.5" HDD	2	2
	2.5" SSD	2	2
I/O Panel <small>*options may vary per region</small>	USB Ports (option 1)	2 x USB 3.2 Gen 1 (USB 3.0)	
	USB Ports (option 2)	1 x USB 3.2 Gen 1 (USB 3.0) 1 x USB 2.0	
	Audio In / Out	1 x 3.5mm Headset Jack (Audio + Mic)	
Pre-installed Fan(s) <small>*options may vary per region</small>	Top	N/A	
	Front	N/A	
	Rear	1 x 120mm Black Fan*	
Fan Support	Top	2 x 120mm 2 x 140mm	1 x 120mm 1 x 140mm
	Front (mount behind the front plate)	3 x 120mm 2 x 140mm	2 x 120mm 2 x 140mm
	Rear	1 x 120mm	
Radiator Support	Top	120 / 240mm	120mm
	Front	120 / 140 / 240 / 280mm	120 / 140 / 240 / 280mm (remove & reinstall ODD bracket to mount 280mm radiator)
	Rear	120mm	
Clearances	CPU Cooler	Steel: 167mm, TG: 166mm	
	Power Supply	325mm max (w/o front radiator & HDD cage) 140mm (HDD cage in backmost position)	
	Graphics Card	344mm	
Cable Routing	Behind MB Tray	18~22mm	
Dust Filters		Front, Top, Bottom	
Power Supply Support		Bottom Mount, ATX	
Warranty		2 Years
