Datasheet

DIGITUS 70" ultra slim TV wall bracket

DA-90375
EAN 4016032457411

Ultra Slim TV Mount, 37"-70" max load 35kg, VESA max 620x420mm

The slim TV wall bracket is particularly suitable not only for very flat OLED, LED and LCD monitors, but also for any other TV sets that comply with VESA standard. The distance between the wall and the wall bracket mounted on the wall is only 3 cm, allowing you to fit your TV set or monitor as flat against the wall as possible. The two integrated straps allow convenient loosening of the bracket locking mechanism when needed. This wall bracket is suitable for mounting monitors with a screen diagonal of up to 70" and a maximum weight. To select a suitable bracket, please only consider the VESA size as well as the weight and size of your TV set/monitor.

Ultra flat and universally suitable for TV sets/monitors up to 70" and 35 kg according to VESA standard

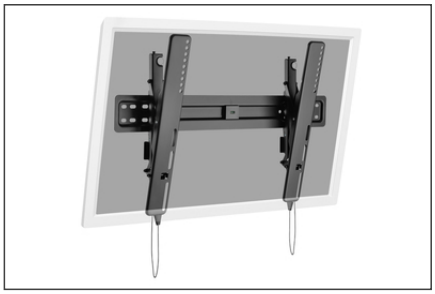

- Supported monitor sizes: max. 70" (from VESA 200 x 200)
