---

**KEY FEATURES:**

The HEOS 5 produces absolutely amazing sound from its stylish right-sized form factor. Enjoy streaming music from the cloud or local files using the intuitive HEOS app for iOS, Android and Kindle Fire Devices.

Its elegant lines house four Class D digital amplifiers and four precision drivers along with a passive radiator. Sound is optimised via a suite of precision DSP acoustical processing algorithms that originated in top recording studios.

- **NEW High Resolution Audio Support**
- **NEW Bluetooth®** integrated
- Sleek and elegant form factor produces incredibly detailed wide range high fidelity sound.
- Amazing output from a modestly sized unit.

- Handle allows easy portability wherever you need great sound.

---

**THE HEOS APP.**

A SIMPLE, EASY TO USE INTERFACE

Stream from your favourite online music services or listen to tracks directly from your phone, tablet or USB drives.

With HEOS, you have all the options you need and all the access you want.

---

**ROOMS:** Name each HEOS player according to the room where it is located. Group rooms together to play the same song in party mode. Separate rooms to play a different song in each of them.

---

**NOW PLAYING:** instantly control what is playing in every room, view cover art or check the queue for what is coming up next. Create and save playlists.

---

**NOW PLAYING:**
