

## WiFi Smart IP Camera | Pan/Tilt | Full HD 1080p | Outdoor | Waterproof

### **General information**

Home automation just got simpler. This easy to use Smart Outdoor IP Camera can be simply connected to your existing Wi-Fi network to monitor the outside areas of your house and record any sound or motion.

#### **Full HD Resolution**

It records in Full HD resolution (1920x1080 pixels) for complete clarity of the images captured. In addition, the camera is just as powerful at night: with its night vision mode offering a range of 15.0 m.

#### Waterproof

Fully contained in an ultra-resilient waterproof housing, this IP camera has a generous internal memory of 16 GB.

### Crystal-clear

Recording Full HD videos and images at 1920x1080 pixels by its 1/3" CMOS sensor for a crystal-clear resolution, the camera is triggered when sounds or motion are detected.

#### Two-way communication

It is possible to communicate via the camera as two-way speaking and listening is enabled – meaning it can be used in a similar way to a telephone when people are in range.

### Easy set up

A camera mount is supplied with the unit and its quick start guide ensures you can have it installed in no time at all.

#### About Nedis® SmartLife

Discover a wide and ever-expanding range of products - such as bulbs, switches, sockets, sensors, and cameras - that can all be controlled through an easy-to-use and intuitive app.

Whether you're looking for a single smart bulb or socket, or you want to automate your entire house, discover how accessible smart technology is today.

## **Sales information**

Order code: WIFICO20CWT

Product WiFi Smart IP Camera | Pan/Tilt | Full HD

description: 1080p | Outdoor | Waterproof

Packaging: Giftbox with eurolock

Brand name: Nedis

Quantity	LxWxH (mm)	Weight
