Features

PASSIONATE EINTRACHT EAGLE DESIGN

With its black and white base colors alone, the SKILLER SGS4 already presents itself in the Eintracht Frankfurt colors. But with the large, carefully embroidered eagle on the back of the chair and the Eintracht lettering on the lumbar cushion, it's unmistakably clear which team you cheer for.

OPTIMALLY ERGONOMIC

The 4D armrests can be easily adjusted to the desired height, width, horizontal angle and arm length.

SIT BACK AND RELAX

The SKILLER SGS4 is equipped with an adjustable backrest which can be reclined and locked at an angle anywhere from 90° to 160°.

COMFORTABLE TILT MECHANISM

The tilt mechanism of the SKILLER SGS4 supports natural rocking movements and provides for relaxation in tense gaming situations. The tilt angle lock allows the seat to be locked into a stable position in steps from 0° to 14°.

SECURE HOLD

The extra-large 75 mm wheels have a practical lock function, keeping the SKILLER SGS4 in its place and ensuring a firm hold on the ground for users up to 150 kg and 200 cm in body height.
