TV Mount Attachment for Denon Home 550 Sound Bar

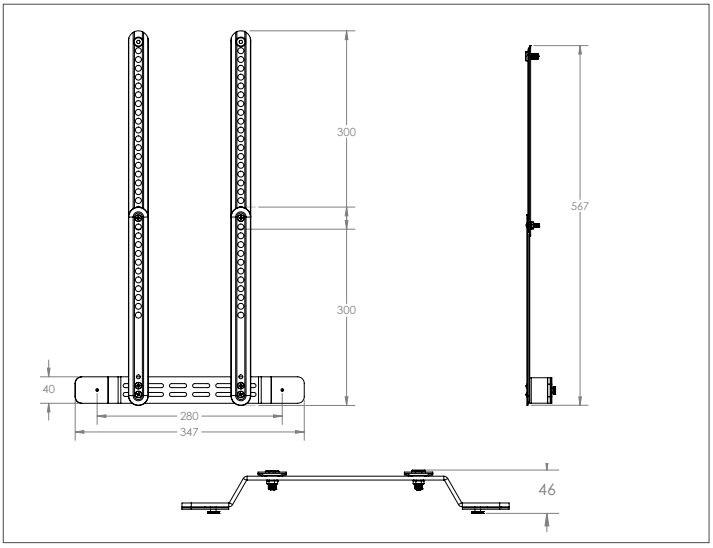

Designed to attach to an existing full-motion TV wall mount, the SoundXtra TV Mount Attachment for the Denon Home 550 Sound Bar allows for the screen and soundbar to move in unison. Horizontal adjustment allows the Denon Home 550 to be perfectly aligned central to the TV screen, while a 46mm step positions the speaker in front of the TV to optimise the Dolby Atmos capabilities, getting the most from the upward-firing speakers without obstruction from the screen above.

For easy fitting, the mount in VESA compatible from 100x200 to 800x800; suitable for screens 32-80", the attachment includes an extension arm to accommodate larger TVs.

- Denon Home 550 Sound Bar moves with your TV when using a full-motion mount
- Allows you to attach Denon Home 550 Sound Bar securely to any existing TV wall mount
- 46mm step to position speakers in front of the TV
