# InLine® AmpUSB HiRes Audio HiFi DSD Headphone Amplifier USB DAC 192kHz/24bit

**Artikel 99203I**

The InLine® AmpUSB 192KHz/24bit DSD USB Audio DAC is an ultra-mastering grade digital audio playback system. It is capable of converting high resolution PCM audio (up to 192 kHz) and DSD audio (up to 64x DSD). The DAC allows you to bypass your computer's soundcard or headphone output and send digital audio signal through the USB interface. With this perfect digital interface between your computer and the music system, the sound quality is pushed to another higher level in your overall music environment.

- Supports DSD 2.8M playback
- Supports PCM 192KHz/24bit playback
- Supports DSD native or DoP
- Asynchronous transfer mode
- SNR : around 110dB (A-weighting)
- Max. Headphone Output power (at 1KHz and single channel): around 210mW / 16ohm and around 190mW / 32ohm
- Headphone Drive Ability: 16 - 600 ohm
- High Quality DAC-Cirrus Logic CS4392
- High Quality Headphone Amplifier
- Opamp are +/-12V powered by internal power boosting circuitry
- 6.3mm & 3.5mm headphone outputs
- Toslink S/PDIF Digital output
- Analog Volume Control
- Supports ASIO and WASAPI
- Integrated de-pop function
- Powered by 5V, optional from USB/AC Adapter (5V/0,5A)
- LED indicators for DSD and PCM playback
- Very fine finishing metallic case
- Supported Operating systems: Windows 10, 8.1, 8, 7, Vista, XP 32/64-bit and MAC OS X (10.6 or above), works with Apple (with camera kit) and Android portable devices (with OTG adapter). Compatible Apps with DSD audio playback are available in the app stores and possibly connected with full functionality with additional costs (in-app purchases, such as App "Onkyo HF Player")
- Content: InLine® AmpUSB 192KHz/24bit DSD USB Audio DAC, User Manual, USB cable, Driver and Software CD with JRiver Media Center License Key, USB to DC 5V cable

Caution: First please connect and turn on the amplifier, then install the Via driver, afterwards restart your PC.

## InLine® – Brand of Choice for IT and Electronics Accessories

In our InLine® brand, we offer a high-quality product range targeted specifically at end users. Our product range includes more than 4,000 IT and electronics accessory products which are described in detail on our website. With this brand we provide certified quality and an attractive product range of cutting edge items that is always up-to-date and offers huge variety. Browse through our broad choice of products, and you'll be certain to find exactly what you need, all available in stock. Don't forget to look closer at our woodline product range by InLine® made from genuine walnut wood; these products do not merely look good, but are also great to touch and handle. Our brand's products are recognizable by their uniform green-white packaging and can be purchased in good online shops and selected specialized brick-and-mortar shops – check our website to find suitable purchase sources. With our InLine® brand you may rely upon excellent service including detailed product information, up-to-date drivers, and competent consultation straight from the manufacturer via Live Support.
