FACTSHEET: WINDMASCHINE 14" - Floor fan

Vibrant freshness! The fan is extremely quiet despite its enormous power. The floor-mounted model achieves a unique kind of air circulation. The unit has **three speed settings** and an adjustable tilting angle. The fan is a strong and sturdy model that can be used in any kind of space.

The Wind Machine **impresses with its enhanced motor power**. The tremendous flow-rate produces even more fresh wind. This range is characterised by exceptional performance and quietness. The swivelling blade grill allows you to enjoy **excellent air circulation and a fresh breeze – quickly and at any time**.
