

Product Specification

256GB Security microSD 4K V30 UHS-1 U3 A1 Class 10

Security microSD cards for Dash Cams, Home Cams, CCTV, Body Cams and Drones. Extended lifetime and reliable recording time after time.

- Dash Cams and Security Cameras require a high endurance microSD card as they are used to intensively record video footage
- The Integral Security microSD card uses high grade flash to ensure the optimum reliability
- Security microSD cards are used in environments where voltage fluctuations and sudden loss of power may occur. The Integral card has built-in Sudden Power-Off Protection for minimal chance of data corruption
- Extreme temperature resistance means the Integral Security microSD card will work perfectly in very hot and very cold environments, between -25 C degrees and 85 C
- Meets the demands for smooth 4K Ultra High Definition
- Suitable for Edge-based security systems for a higher recording efficiency and flexibility
- Health monitor function available

SKU	INMSDX256G10-SEC
EAN	5055288446878

	Width (mm)	Depth (mm)	Height (mm)	Weight (g)
Product	15	1	11	0.5
Packaging	93	8	138	19

Capacity (GB)	256GB
Memory Class 1	UHS-1
Memory Class 2	U3
Video Speed Class	V30
Read speed (MB per second)	100
Write speed (MB per second)	60

Interface	8 Pin
Card Type	MICRO SD CARD
Operating temperature (T-T) (degrees Celcius)	-25 - 85
Memory adapter included	Y
Sustainability certificates	RoHS
