4BAY ALUMINUM DESIGN CASE

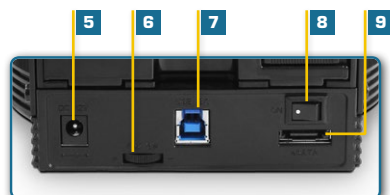

FANTEC SQ-35U3e

Secure your data on the FANTEC SQ-35U3e with room for four SATA hard drives in one housing. All hard drives are displayed separately and can be controlled separately, easily switched, replaced and independently from manufacturer or capacity expanded. Due to the simple and quick installation with Plug & Play and both data interfaces SUPERSPEED 3.0 & eSATA, the housing is set up in no time. The flexible data interfaces SUPERSPEED USB 3.0 and eSATA allow for lightning fast data transfer to a maximum of 5Gbit/s (USB 3.0) or 3Gbit/s (eSATA0). The built-in 80mm ventilator can be controlled by hand and step less, and therewith set optimally for the built-in hard drives. The energy savings feature disables the FANTEC SQ-35U3e automatically when the PC is shut down.

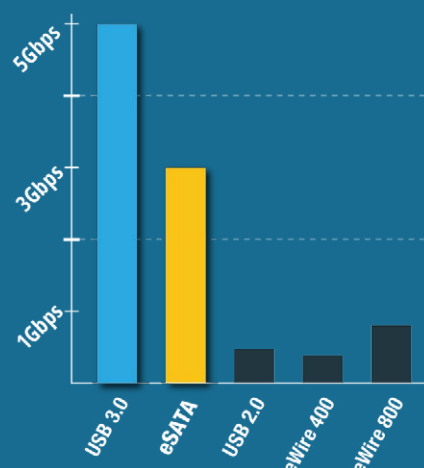

- 1 To use with 1-4 SATA hard drives
- 2 Light internal structure with four HDD carriers
- 3 Optimal cooling by 80mm fan
- 4 Exclusive aluminum Design housing

- 5 Connection for net part
- 6 Manual and step less fan control
- 7 SUPERSPEED USB 3.0 connection
- 8 Power switch
- 9 eSATA connection

Technical Data

Specifications

- Hard drive housing for four 8.89cm (3.5") SATA hard drives
- Usable with 1-4 SATA hard drives
- Separate grip on each single hard drive
- SUPERSPEED USB 3.0 connection (to 5 Gbit/s)
- eSATA connection (to 3 Gbit/s)
- Internal 80mm fan
- Manual and step less fan control
- Shut down synchronized with shut down of the PC.
- Light and fast internal HDD structure with four hard drive carriers
- Elegant, round aluminum design housing

Connections

- SUPERSPEED USB 3.0 (back)
- 1x eSATA (back)
- 1x power connection (back)

Operating System

- Microsoft Windows 2000, XP, Vista, 7, 8, 8.1, 10
- MacOS 10.3 und höher
- Linux

Included Accessories

- 1x USB 3.0 cable
- 1x eSATA 3.0 cable
- 4x HDD carriers
- 1x external net cable
- 1x screw set
