Delock Cable High Speed HDMI with Ethernet – HDMI A male > HDMI A male 4K 1.0 m

Description

This High Speed HDMI with Ethernet cable by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio-/ video- and Ethernet connection. Thus you can connect e.g. your PC or o DVD / Blu-ray drive to a monitor or TV. The HDMI-A interface is downwards compatible to its forerunners and enables you to use your existing devices. The higher cable gauge and the twisted data lines ensures a safe connection even for a length of this cable.
