

## Hobs

CHW6LBX

### MAIN FEATURES

|                                |               |
|--------------------------------|---------------|
| Product name / Commercial code | CHW6LBX       |
| Product code                   | 33801976      |
| EAN Code                       | 8016361966925 |
| Type of cooktop                | Gas           |
| Number of zones                | 4             |

### TECHNICAL FEATURES

|                               |                                 |
|-------------------------------|---------------------------------|
| Voltage (V)                   | 220-240                         |
| Electronic timer              | No                              |
| Type of safety device for gas | Electromagnetic for each burner |

### PROGRAMMES AND FUNCTIONS

|                             |                      |
|-----------------------------|----------------------|
| Type of 1st heating element | Semirapid gas burner |
| Type of 2nd heating element | Auxiliary gas burner |
| Type of 3rd heating element | Rapid gas burner     |
| Type of 4th heating element | Rapid                |
| Type of 5th heating element | -                    |
| Type of 6th heating element | -                    |

### AESTHETIC

|                  |                 |
|------------------|-----------------|
| Colour           | Stainless Steel |
| Surface material | Inox/Steel      |
| Knob colour      | Nera            |
| Control method   | Knobs           |

|                                           |            |
|-------------------------------------------|------------|
| Grids type                                | Wire       |
| Type of lid                               | Without    |
| PERFORMANCE                               |            |
| Power of 1st heating element (W)          | 1750       |
| Power of 2nd heating element (W)          | 1000       |
| Power of 3rd heating element (W)          | 2500       |
| Power of 4th heating element (W)          | 2500       |
| Power of 5th heating element (W)          |            |
| Power of 6th heating element (W)          |            |
| DIMENSIONS                                |            |
| Required niche size for installation (mm) | 560x480x35 |
| Product height (mm)                       | 8          |
| Width (mm)                                | 595        |
| Product depth (mm)                        | 510        |
| Dimensions of the product (mm)            | 595X510X8  |
| Net weight (kg)                           | 6.8        |
| Gross weight (kg)                         | 7.2        |
