There's a horizontal scroll wheel, a rechargeable battery and it's wireless with a range of up to 10 meters. This truly is a premium mouse.

Keeping You Comfortable

The Ozaa has an ergonomic design, reducing strain on your wrists to a minimum. You will work for hours on end and still be comfortable. It has six buttons, a DPI switch and two scroll wheels, one vertical and one horizontal, to keep you in complete control over your work. And the two main buttons are silent so you won't disturb your colleagues when you're hard at work.

Environment-friendly

Thanks to the rechargeable battery, you can say goodbye to disposable batteries. This isn't just a money saver, you will help the environment, too. There's an energy saving on/off switch to help you get the most out of the battery, and when it does eventually run out of power the Trust Ozaa is easily charged with the included micro-USB cable.
