

ThinkBook 14 G6 ABP

Whether it's a creative, a business executive, or a digital nomad, this laptop is tailored to cater to their unique needs while they are working from a cafe or co-working space. Equipped with up to AMD Ryzen 7 processor, it ensures seamless performance while juggling multiple apps, running data analysis, and managing complex projects. With the 14" display with optional 2.2k resolution, combined with AMD Radeon graphics, colors pop and details shine while designing graphics or editing videos.

The integrated fingerprint reader and an optional IR camera shutter ensure the data stays protected. Work confidently in public spaces without compromising on privacy. Wi-Fi 6E keeps professionals connected wherever they go, ensuring seamless video conferences and quick file transfers.

Business professionals can immerse themselves in crystal-clear audio during virtual meetings or when unwinding with their favorite music. Its exceptional sound quality provided by Dolby Audio ensures they never miss a beat.

Optional ENERGY STAR 8.0 and optional EPEAT Gold certifications make it an energy-efficient device.

Lenovo devices that are a class apart

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.
