AURORA XPX RGB FRAME

LIGHTING ACCESSORY FOR YOUR FAVOURITE CPU COOLER

ALPHACOOL EISBLOCK XPX PLEXI CLEAR OR SATIN IS REQUIRED

EN

Press the frame onto the already mounted cpu cooler.

To operate the LEDs connect the RGB plug with an RGB controller (sold separately).

DE

Drücken Sie den Rahmen auf den bereits montierten CPU - Kühler.

Zum Ansteuern der LEDs verbinden Sie den RGB Stecker mit einem RGB Controller (separat erhältlich).

FR

Appuyez le cadre sur le refroidisseur de cpu déjà monté.

Pour utiliser les LED, connectez la prise RGB avec un RGB contrôleur (vendu séparément).
