Full HD Action Camera 1080p Wi-Fi / GPS Black

General information

Capture all the action in razor-sharp, Full HD image quality. This action cam incorporates GPS technology, which adds an extra dimension to your movies by tracking route, speed and distance. Another great feature is that it has WiFi connectivity. This enables you to send footage straight to your smartphone so you can share the thrill with the rest of the world.

Features

- Lightweight and sturdy to endure extreme sports
- WiFi connectivity to stream footage to smartphones or tablets
- GPS technology to track route, distance and speed
- Mini HDMI™ port to watch contents on a TV screen
