HKoenig

fo25

mini electric oven 25 l

Powerful and compact, ideal for small spaces

The H.Koenig FO25 25-litre compact electric oven can easily fit into any space.

This 25L compact electric oven is ideal for all spaces. With a power of 1500 watts, it is equipped with an adjustable thermostat that can reach up to 230 ° C and 4 cooking modes to adjust the temperature according to the cooked dishes.
Its 60-minute timer allows you to choose the cooking time of your preparations. No need to stay close by the oven throughout the cooking, thanks to its automatic stop function your oven stops as soon as your dish is ready. No more burnt meals!
The FO25 comes with an oven rack, a baking tray and tongs allowing the easy removal of the hot tray from the oven.

Modern with its glass door, it adapts to all kitchens.

For successful meals!
