Capacities:

128GB
256GB

Capture more high-quality images and 4K

The Lexar® Professional CFexpress™ Type B Card Silver Series is designed to leverage the capabilities of next-level cinema cameras and high-resolution DSLRs, allowing you to capture high-quality images and 4K. It also features high-speed performance of up to 1000MB/s read¹, and 600MB/s write.

Backwards-compatible with XQD® cameras. This card is backwards-compatible with select XQD® cameras² for added versatility, enabling existing devices with next-generation performance.

Accelerated workflow to save you time. The high-speed performance of the Lexar® Professional CFexpress™ Type B Card Silver Series allows you to quickly capture and transfer files with ease. And when paired with the Lexar® Professional CFexpress Type B Reader, it dramatically accelerates your workflow from location to post production.

Warranty and support. All Lexar Professional line memory cards come with a limited lifetime warranty and are backed by expert technical support.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

Warning: CFexpress™ Type B cards are only compatible with devices that support the CFexpress format. Highest transfer speed achieved only when used with an CFexpress Type-B reader, indicated by a boxed USB logo on the product. Contact your device manufacturer for details.

¹ Up to 1000MB/s read transfer, write speeds lower. Speeds based on internal testing. Actual sustained speed may vary depending on host device.

² Compatible with firmware enabled CFexpress™ cameras.

Lexar is not liable for any loss of data or images.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.

Actual usable memory capacity may vary. 1GB equals 1 billion bytes.

Limited lifetime warranty is limited to 10 years from purchase in Germany and regions not recognizing lifetime warranty.
