vaiotec EASYLINE

Beer cooler, 128 L, for max. 50 L keg, incl. tap, 540 x 670 mm

Item No.: **99991**
GTIN: 4251225626230

Description

This beer cooler, 128-litre, for max. 50-litre keg, incl. tap measures 540 × 670 mm and has a height of 900 mm. It is intended for professional use in commercial kitchens, restaurants and institutional catering facilities. The freestanding unit is made of stainless steel and has a 230 V electrical connection (plug-in ready). The interior accommodates kegs of up to 50 litres; a dispensing tap is included. The temperature range is +0 to +10 °C. It is suitable for operation at ambient temperatures of up to +38 °C. Static cooling provides gentle, consistent temperature distribution. A CO_2 cylinder and keg tap head (KEG connector) are not included. Supplied with a CO_2 regulator, keg coupler and beer hose.

Dimensions (W x D x H):	**540 x 670 x 900 mm**
Net Weight:	**40 kg**
Shipping Weight:	**43 kg**
