Ashura Shadow Product Specifications

Ashura Shadow Anniversary Model

The 10th.anniversary model of Scythe presents itself in a classy shade of black - the Ashura Shadow. The award-winning design and technical data have been left unchanged: The Shadow, too, is built for dual-fan operation, and sports the same, new mounting system seen on the standard model - ready for all common sockets on the market today.

Asymmetrical Design

The asymmetrical layout of the base plate allows the Ashura Shadow to be mounted in various clearances to the memory modules, making the usage of memory modules with tall heatsinks possible.

Compact Size

Due to its' narrow fin depth structure design, the Ashura Shadow is ideal for PCs with memory modules fitted with large heatsinks. 6 x 6 mm heatpipes are built-in in a variant layout to maximize heat dissipation.

Package Weight	1340 g / 2.95 lb
Package Dimensions	173.8 x 121.5 x 221 mm / 6.84 x 4.78 x 8.70 in
Carton Info W x D x H	8 pcs. / 12.36 kg / 27.24 lbs 610 x 450 x 240 mm / 24.01 x 17.71 x 9.44 in

Item Number	SCASR-1000SE
EAN	4571225054544
UPC	894092005094
