

Delock Cable SATA 6 Gb/s male straight > SATA male straight 10 cm red metal

Description

This SATA cable by Delock enables the internal connection of various SATA devices, e.g. HDDs, controller cards or Flash memories. It complies with the latest standard and provides a data transfer rate of up to 6 Gb/s. It is downwards compatible to the previous SATA versions, but can then only reach the respective transfer speed. The metal clips on the connectors ensure that the cable reliably clicks into place.

Specification

- Connector:
