

ZeSplash²

WATER RESISTANT SMARTWATCH WITH TOUCHSCREEN

- I tell time
- I measure your heart-rate
- I count your daily steps
- I ring and vibrate on incoming calls
- Answer or reject calls directly from your wrist
- I notify you of incoming SMS, emails and social media activity

ZeSplash² is an IP66 water resistant smartwatch with built-in microphone and speaker that allows users to handle calls directly from their wrist. On its capacitive color touchscreen, ZeSplash² notifies users of incoming calls, SMS, emails, social media activity and life reminders without having to look at their phone. ZeSplash² also supports Siri and Google Now to let you easily interact with your phone using voice commands. Equipped with a 3-axis Accelerometer and a heart rate sensor, ZeSplash² tracks and shows your daily steps so you can keep an eye on your activity level. ZeSplash² can also be used as a remote control to take pictures. ZeSplash² features an anti-lost alarm that alerts you when your paired device is away and a find my phone function that helps you track it back. Compatible with iOS 7+ and select Android 4.3+ devices that support Bluetooth BLE, ZeSplash² comes with a free mobile app that let you pick and choose the information you want to receive on your smartwatch.
