

SKILLER SGB15

The perfect introduction to fast and furious matches! The SKILLER SGB15 set combines a stylish rubber dome keyboard with a precise gaming mouse. The keyboard has a full 3-block layout while the mouse is equipped with a 1,000 Hz polling rate and up to 4,200 DPI in six levels. And the crisp RGB illumination with cool effects will ensure that your new equipment is an eye-catching highlight, not only when gaming.

Features

GAMING KEYBOARD WITH FULL 3-BLOCK LAYOUT

Thanks to the full 3-block layout of the keyboard, you will always have full control in the game, while the rubber dome keys provide a pleasantly quiet typing experience.

GAMING MOUSE WITH UP TO 4,200 DPI

With up to 4,200 DPI in six levels, the gaming mouse adapts to your gaming style, whether it's MOBA or first-person shooter. And for games which require precision and quick responses, there is, of course, a polling rate of 1,000 Hz on board.

RGB ILLUMINATION WITH STYLISH EFFECTS

The stylish RGB illumination of the SKILLER SGB15 mouse and keyboard will provide your setup with stylish highlights. Various colors and effects can be selected according to your style and without the need of a software.
