

# Acer Aspire 14 AI

(A14-11M-X9UY)

- Processor: Qualcomm® Snapdragon™ X X1-26-100
- Display: 14" Acer ComfyView™ WUXGA 120Hz IPS (non-glare)
- Memory: 16 GB LPDDR5X RAM
- Mass storage: 512 GB SSD
- Graphics card: Qualcomm® Adreno™ GPU
- Operating system: Windows 11 Home (ARM64)

|------------------|-------------------------|
| Operating System | Windows 11 Home (ARM64) |
|------------------|-------------------------|

### Housing

|                            |                                        |
|----------------------------|----------------------------------------|
| Housing / Color            | Steam Blue                             |
| Component door             | -                                      |
| Dimensions                 | 312.40 x 225.90 x 15.90 mm (W x D x H) |
| Weight                     | 1.4 kg                                 |
| Passively cooled (fanless) | -                                      |

### Display

|                             |                                         |
|-----------------------------|-----------------------------------------|
| Display size                | 14 inch (35.56 cm)                      |
| Display type                | Acer ComfyView™ WUXGA IPS 120Hz display |
| Display resolution in pixel | 1920 x 1200                             |
| Aspect ratio                | 16:10                                   |

### Processor

|                            |                                             |
|----------------------------|---------------------------------------------|
| Processor                  | Qualcomm® Snapdragon™ X X1-26-100 processor |
| Clock frequency            | Up to 3.0 GHz Turbo-Boost                   |
| Cache                      | 30 MB                                       |
| Processing cores / threads | 8                                           |
| NPU                        | Qualcomm® Hexagon™ NPU (up to 45 TOPS)      |

### Storage and drives

|                      |                                               |
|----------------------|-----------------------------------------------|
| Memory               | 16 GB LPDDR5X RAM                             |
| Memory configuration | 1 x 16 GB LPDDR5X RAM                         |
| Maximum RAM          | Onboard RAM (not replaceable or expandable)   |
| Mass storage         | 512 GB PCIe Gen4 NVMe Solid-State-Drive (SSD) |

### Graphics card

|               |                       |
|---------------|-----------------------|
| Graphics card | Qualcomm® Adreno™ GPU |
|---------------|-----------------------|

### Connections

|                         |                |
|-------------------------|----------------|
| LAN                     | -              |
| Wireless LAN            | Wi-Fi 7        |
| Wireless WAN / SIM-Card | -              |
| Wireless Gigabit        | -              |
| Bluetooth               | Bluetooth® 5.4 |
| NFC                     | -              |

### IO ports

|                   |                                                                                     |
|-------------------|-------------------------------------------------------------------------------------|
| HDMI              | 1x HDMI® 2.1                                                                        |
| Displayport       | via USB Type-C                                                                      |
| Thunderbolt       | -                                                                                   |
| USB 3.2           | 2x (Type-A Gen 1 (1x with Power-Off USB Charging))                                  |
| USB 3.1           | -                                                                                   |
| USB 3.0           | -                                                                                   |
| USB 2.0           | -                                                                                   |
| USB 4.0           | 2x (Type-C)                                                                         |
| Ethernet (RJ-45)  | -                                                                                   |
| Cardreader        | MicroSD cardreader                                                                  |
| Smart card reader | -                                                                                   |
| Audio port        | 1x 3.5 mm speaker/headphone/line-out (supports headsets with integrated microphone) |
| Docking port      | -                                                                                   |

### Input

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| Keyboard         | Acer FineTip keyboard (80-/81-/85-keys)                             |
| Keyboard layout  | German (QWERTZ)                                                     |
| Backlit keyboard | Yes                                                                 |
| Touchpad         | Multi-Gesture Touchpad (Microsoft Precision Touchpad Certification) |
