Description / Advertising text

Practical, easy to handle and the ideal solution for the cleaning without bending down and without hands in the dirty water – Mop press Profi compact consists of a bucket with a compact top part for pressing, which can easily be operated by the leverage of the floor wiper. It can be stored space saving because the top part for pressing can be stored in the bucket. Floor wiper Profi micro duo removes with its special 2-fibre wiper cover even persistent dirt. It can easily be operated by foot.
