Achtung!

Technische Geräte stellen einen beträchtlichen Wert dar. Sie sollten daher bei der Installation vorsichtig mit den Komponenten umgehen und diese bei Bedarf schützen.

Auch sollte, falls nötig, der Installtionsbereich abgesichert werden. Herabfallende Teile können zu Verletzungen und Materialschäden führen.

Die im Lieferumfang enthaltenen Materialien sind unter Umständen nicht für die speziellen Gegebenheiten am Installationsort geeignet. Bitte prüfen Sie dies vorab und ersetzen Sie diese bei Bedarf durch geeignete Materialien. Für Schäden, die durch eine unsachgemäße Installation entstehen, übernehmen wir keine Haftung.

Falls Sie Bezüglich der Angaben in dieser Installationsanleitung unsicher sind oder noch Fragen haben wenden Sie sich an uns oder anderes ausgebildetes Fachpersonal.

Caution!

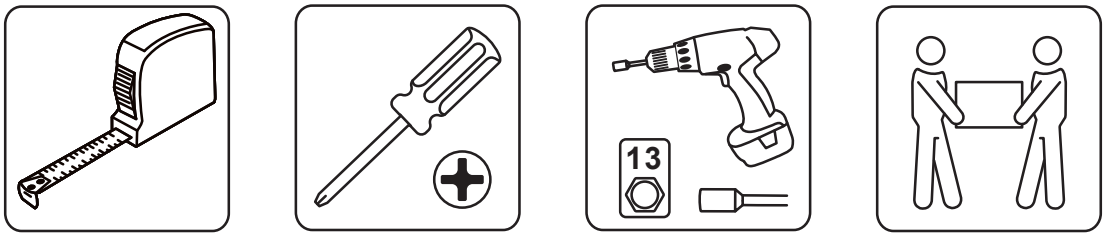

Technical devices are of considerable value. You should therefore handle the components carefully during installation and protect them if necessary.

If necessary, the installation area should also be secured. Falling parts can cause injuries and material damage.

The materials included in the scope of delivery may not be suitable for the specific conditions at the installation site. Please check this before and replace them with suitable materials if necessary. We accept no liability for damage caused by improper installation.

If you are unsure about the information in these installation instructions or have any further questions, please contact us or another qualified professional.

Bitte beachten! | Please note!

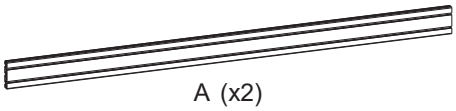

Diese Halterung ist für Displays mit gleichmäßiger Gewichtsverteilung ausgelegt. Bitte stellen Sie sicher, dass Ihr TV weder links- noch rechtsseitig schwerer ist. Eine ungleichmäßige Belastung kann zu einer Fehlfunktion der Halterung führen, das Gerät beschädigen oder dazu führen, dass der TV nicht gerade hängt.

Der TV darf ausschließlich mittig bewegt werden. Ziehen oder drücken Sie das Display nicht einseitig, z. B. über Griffe an der TV-Rückseite. Eine einseitige Belastung kann die Mechanik der Halterung beeinträchtigen und die sichere Funktion gefährden.

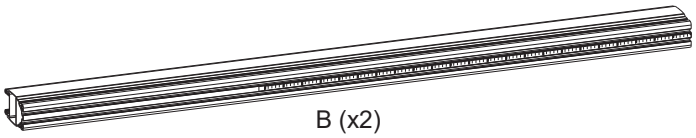

This mount is designed for displays with even weight distribution. Please ensure that your TV is neither heavier on the left nor on the right side. Uneven loading may cause the mount to malfunction, damage the device, or result in the TV not hanging level.

The TV must only be moved in the center. Do not pull or push the display from one side, for example, using handles on the back of the TV. Uneven loading may impair the mount‘s mechanics and compromise its safe operation.
