

# Acer Aspire Go Spin 14

(AGSP14-31PT-325W)

- Processor: Intel® Core™ 3 processor N355
- Display: 14" Acer CineCrystal™ WUXGA IPS touch
- Memory: 8 GB LPDDR5 RAM
- Mass storage: 512 GB SSD
- Graphics card: Intel® Graphics
- Operating system: Windows 11 Home (64 bit)

## Acer AGSP14-31PT-325W

## SPECIFICATIONS

### Ordering Information

| Short description | 14" Acer CineCrystal™ WUXGA IPS touch / Intel® Core™ 3 processor N355 / 8 GB LPDDR5 RAM / 512 GB SSD / Intel® Graphics / Windows 11 Home (64 bit) / Pure Silver |

### Operating System

|                  |                          |
|------------------|--------------------------|
| Operating System | Windows 11 Home (64 bit) |
|------------------|--------------------------|

### Housing

|                            |                                     |
|----------------------------|-------------------------------------|
| Housing / Color            | Pure Silver                         |
| Component door             | -                                   |
| Dimensions                 | 319.8 x 227.9 x 22.3 mm (W x D x H) |
| Weight                     | 1.54 kg                             |
| Passively cooled (fanless) | -                                   |

### Display

|                             |                                                              |
|-----------------------------|--------------------------------------------------------------|
| Display size                | 14 inch (35.56 cm)                                           |
| Display type                | Acer CineCrystal™ WUXGA IPS touch display with LED-Backlight |
| Display resolution in pixel | 1920 x 1200                                                  |
| Aspect ratio                | 16:10                                                        |

### Processor

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Processor                  | Intel® Core™ 3 processor N355                                  |
| Clock frequency            | 1.9 GHz base clock (Up to 3.9 GHz max. performance clock rate) |
| Cache                      | 6 MB Intel® Smart Cache                                        |
| Processing cores / threads | 8 / 8                                                          |
| NPU                        | -                                                              |

### Storage and drives

|                      |                                               |
|----------------------|-----------------------------------------------|
| Memory               | 8 GB LPDDR5 RAM                               |
| Memory configuration | 1 x 8 GB LPDDR5 RAM                           |
| Maximum RAM          | Onboard RAM (not replaceable or expandable)   |
| Mass storage         | 512 GB PCIe Gen4 NVMe Solid-State-Drive (SSD) |

### Graphics card

|               |                 |
|---------------|-----------------|
| Graphics card | Intel® Graphics |
|---------------|-----------------|

### Connections

|                         |                                                             |
|-------------------------|-------------------------------------------------------------|
| LAN                     | -                                                           |
| Wireless LAN            | Intel® Dual Band Wireless-AX, Wi-Fi 6 (802.11a/b/g/n/ac+ax) |
| Wireless WAN / SIM-Card | -                                                           |
| Wireless Gigabit        | -                                                           |
| Bluetooth               | Bluetooth® 5.2                                              |
| NFC                     | -                                                           |

### IO ports

|                   |                                                                                     |
|-------------------|-------------------------------------------------------------------------------------|
| HDMI              | 1x HDMI® 2.1                                                                        |
| Displayport       | via USB-C                                                                           |
| Thunderbolt       | -                                                                                   |
| USB 3.2           | 4x (2x Type-A Gen 1, 2x Type-C Gen 2)                                               |
| USB 3.1           | -                                                                                   |
| USB 3.0           | -                                                                                   |
| USB 2.0           | -                                                                                   |
| USB 4.0           | -                                                                                   |
| Ethernet (RJ-45)  | -                                                                                   |
| Cardreader        | -                                                                                   |
| Smart card reader | -                                                                                   |
| Audio port        | 1x 3.5 mm speaker/headphone/line-out (supports headsets with integrated microphone) |
| Docking port      | -                                                                                   |

### Input

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| Keyboard         | Acer Keyboard (80-/81-/84-keys)                                     |
| Keyboard layout  | German (QWERTZ)                                                     |
| Backlit keyboard | -                                                                   |
| Touchpad         | Multi-Gesture TouchPad (Microsoft Precision Touchpad certification) |

## Acer AGSP14-31PT-325W

## SPECIFICATIONS
