|---------------|-----------------------------------------------------------|
| Product Name  | G.SKILL FORTIS Series DDR4 2400MHz 16GB(8GBx2) Memory Kit |
| Model Number  | F4-2400C17D-16GFT                                         |
| EAN Code      | 4719692015525                                             |
| UPC Code      | 0848354025528                                             |
| SKU Live Date | -                                                         |

### Overview

---

Strengthen your AMD Ryzen rig with the G.SKILL FORTIS series DDR4 gaming memory! Designed specifically for the AMD platform, this powerful memory kit is the perfect addition to any AMD DDR4-compatible platform with rock solid stability and exceptional performance!

### Features

---

- Designed and tested for AMD Ryzen
- Optimized compatibility with AMD X370, B350, and A320 chipset
- Cost-effective solution for gaming rigs
- 1.20V ultra low voltage

## FORTIS Series

Extreme Performance DDR4 Memory

### Technical Specification

|                     |                  |                |                     |
|---------------------|------------------|----------------|---------------------|
| Memory Type         | DDR4             | Tested Speed   | 2400MHz (PC4-19200) |
| Registered/Unbuffer | Unbuffered       | Tested Latency | 17-17-17-39         |
| Module Type         | UDIMM            | Tested Voltage | 1.2V                |
| Error Checking      | Non-ECC          | SPD Speed      | 2400MHz (PC4-19200) |
| Capacity            | 16GB(8GBx2)      | SPD Latency    | 17-17-17-39         |
| Multi-Channel Kit   | Dual Channel     | SPD Voltage    | 1.2V                |
| Pin Count           | 288              | XMP Support    | -                   |
| Fan Included        | No               | Profile 1      | -                   |
| Warranty            | Limited Lifetime | Profile 2      | -                   |

### Compatibility

|          |                        |
|----------|------------------------|
| Chipset* | AMD X370 / B350 / A320 |
| CPU*     | AMD Ryzen (AM4)        |

### Shipping

|                   |               |                   |                    |
|-------------------|---------------|-------------------|--------------------|
| Module Height     | 31mm / 1.22in | Product Dimension | 6.3 x 5.5 x 0.62in |
| Module Weight     | -             | Product Weight    | 69.5g / 0.15lbs    |
| Country of Origin | Taiwan        |                   |                    |
