

Fan

Model: **AW-12E-BL**

Product code	AW-12E-BL
Product type	Fan
Supply voltage	12 V
Power consumption	0.16 A
Power supply connector	Molex
Fan size	120 mm
Maximum noise level	22.8 dB(A)
Cable length	30 cm
Material	ABS
Product color	Black
Backlight color	Blue
MTBF	30000 h
Package	UniBag
Product size (L x W x H)	120 x 120 x 25 mm
Package size (L x W x H)	260 x 130 x 26 mm
Net weight	84.4 g
Gross weight	90.3 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
Included accessories	Screw
EAN code	5901720136121
Warranty	24 months

Description

Akyga® AW-12E-BL is a high quality **computer fan**. Cleverly designed blades in conjunction with **anti-vibration pads** have a positive impact on the quiet operation of the fan. The durable **sleeve bearings** ensure a very long and trouble-free operation at the highest speed. Furthermore, the product has an integrated blue LED illumination. Thanks to this, the fan can also be used to display the interior of an ATX case.

The fan is equipped with a long **30 cm cable** which ensures freedom of installation. The included **Molex connector** will allow for an easy connection of the product to any ATX power supply unit equipped with the matching connector. **Mounting screws** are included with the fan.
