Description

The equip 650637 Economy TV Trolley is a robust and affordable display solution designed for large screens ranging from 55 to 100 inches. Built with a heavy-duty steel frame, it supports loads up to 70kg and is fully VESA compliant up to 800 x 600, making it suitable for commercial, educational, and professional environments.

The height-adjustable TV mount enables users to optimize viewing angles for presentations, meetings, and digital signage. A height-adjustable equipment shelf provides convenient space for media devices or accessories, supporting a practical and efficient installation. The integrated cable clip system keeps wires neatly routed, ensuring a clean and organized appearance in any setting.

Smooth-rolling casters allow effortless mobility, while the locking mechanism ensures stable positioning once placed. With durable construction, essential adjustability, and streamlined cable management, the 650637 offers dependable performance for large-format display needs in modern workplaces and public venues.
