

DELTA line, electrical white frame 2-fold, 151x 80 mm

| Model                              |               |
|------------------------------------|---------------|
| Product brand name                 | DELTA LINE    |
| Product designation                | Frame         |
| Design of cover / flush design     | No            |
| General technical data             |               |
| Surface processing                 | others        |
| Material                           | thermoplastic |
| Protection class                   |               |
| Protection class IP                | IP20          |
| Suitability                        |               |
| <b>Suitability for integration</b> |               |
| • built-in installation            | No            |
| • Device installation duct         | No            |
| • underfloor duct box              | No            |
| • flush mounting                   | Yes           |
| Appearance                         |               |
| Appearance                         | shiny         |

|                  |                  |
|------------------|------------------|
| RAL color number | 9013             |
| Color            | Electrical white |

#### Product details

|                   |     |
|-------------------|-----|
| Product component |     |
| • Labeling field  | No  |
| • Hinged lid      | No  |
| Product feature   |     |
| • halogen-free    | Yes |
| • transparent     | No  |

#### Number

|                 |   |
|-----------------|---|
| Number of units | 2 |
|-----------------|---|

#### Mechanical Design

|                           |                         |
|---------------------------|-------------------------|
| Height                    | 151 mm                  |
| Width                     | 80 mm                   |
| Mounting position         | horizontal and vertical |
| Mounting type             | terminal mounting       |
| Material / of cover frame | plastic                 |
