

**Export socket with earth pin  
orange****Product Data Sheet**

|                                        |                         |
|----------------------------------------|-------------------------|
| With child-protection                  | Yes                     |
| Frequency                              | 50-60Hertz              |
| Nominal voltage                        | 250Volt                 |
| Halogen free                           | Yes                     |
| Nominal current                        | 16Ampere                |
| Model                                  | Earthing pin            |
| Connection type                        | Screwed terminal        |
| Colour                                 | Orange                  |
| Mounting method                        | Flush mounted (plaster) |
| Type of fastening                      | Mounting with screw     |
| Material                               | Plastic                 |
| Material quality                       | Duroplast               |
| Surface protection                     | Untreated               |
| Suitable for degree of protection (IP) | IP20                    |

**Export socket with earth pin  
orange**

Export socket STANDARD with earth pin and orange socket double pole,  
10/16 A 250 V, for 58-series mounting boxes with screw fixing,  
with orange central plate for combinations,  
with increased protection against electric shock
