

BAMBOO™ Tip

Bamboo Tip – fine-tip stylus for quickly noting ideas on your iPhone, iPad and Android devices.

A thought springs to mind and you want to capture it on your smartphone or tablet? With Bamboo Tip you can. Just power up and start writing.

A fine tip for even finer ideas

Bamboo Tip gives you fidelity when taking notes on the fly, making lists and drafting concepts. With the fine tip, you can see exactly where the stylus touches the screen – so you focus on your ideas, confident they are captured exactly as you want.

Compatibility you can count on

Simply turn on Bamboo Tip and use it with your favorite apps. No pairing is needed. Bamboo Tip easily works with iOS and a broad range of Android devices. Just flick a small switch to optimize its performance for your device.

Long-lasting functionality

Bamboo Tip is designed to be comfortable to use and durable. Enjoy 20 hours of continuous use, then quickly recharge your Bamboo Tip via USB. And should the fine tip wear out one day, you can easily replace it.

Store, shape and share your ideas

The Bamboo Paper app makes capturing notes and doing visual ideation simple and convenient. The Inkspace service lets you easily move your ideas to the cloud and watch them come to life as you connect to a range of productivity and workflow applications.
