## TOP FEATURES

- Versatile design: The modern FM radio is perfect as an under-cabinet kitchen radio or freestanding radio. With its elegant housing, it fits perfectly with modern interior styles in the kitchen or bedroom.
- Convincing sound: Two stereo speakers with bass amplifier provide impressive sound. Thanks to the integrated Bluetooth receiver, you can play music from your smartphone on the kitchen radio or use the connection as a hands-free device.
- Functions for everyday use and night-time: The under-cabinet radio is equipped with convenient alarm, sleep and snooze functions as well as automatic switch-off. The integrated LED lighting is practical as a work and night light.
- User-friendly: Clear LED display with clock and date display, 40 favourite memory slots, easy timer access via direct selection button and an external antenna connection
