Trendy but memorable! This small, lightweight city rucksack discreetly evokes Deuter's long history with mountain sports but knows exactly where it's going: into urban terrains. With its confident, functional style, this daypack will really grab the attention. It has bags of space for everything, with an organiser compartment, separate cell-phone pocket, and document compartment, while the top flap will keep the rain out. Available in 4 trendy colours!

## HIGHLIGHTS OF VISTA CHAP

**Pockets on the outside**  
stretch pockets on the side and in the front provide additional storage space

**Compartment for documents**  
special compartment for travel documents

**Organizer Pocket**  
organizer pocket to store pens, cell phones etc.

**Smartphone Pocket**  
A special pocket for smartphones at the back of the pack stores your phone safely and provides easy and fast access.

**PFC Free**  
High-performance materials with a PFC-free coating to resist water and dirt

**Contact System**  
The ergonomically shaped back cushions of the Contact System hug the back and distribute the weight of the load evenly, relieving the load on the back. Additionally, loads are carried easiest when they are close to the body. Channels between the cushions as well the breathable, sturdy 3D Airmesh lining provide pleasant ventilation.

## MATERIAL

### 600D PES

Made from 600 den Polyester thread and with a thick PU coating, this multi-purpose fabric is robust and lightweight. It is most suitable for backpacks, used in average conditions to keep the weight to a minimum.

### 225D PES Ripstop
