

# Navigator<sup>®</sup> V-FLEX<sup>™</sup>

## Equipped with the latest technologies

- **V-Flex, patented moving vane turbine technology** that optimises pool cleaning to capture larger debris
- **The exclusive SmartDrive steering system provides** an optimised cleaning path to ensure complete pool coverage
- **Unique hydrodynamic design** for unhindered in-pool movement
- **Easy, tool-free installation**
- **Robotic cleaner ideal for use with a Hayward variable-speed pump:** the cleaner operates at low speed to preserve the energy savings made by the variable-speed pump

YEARS OF WARRANTY
